Better Broadband Speed Information

2022 Voluntary Code of Practice (Business)

“The Business Voluntary Code of Practice on Better Broadband Speed Information aims to provide business customers purchasing standard business broadband services with clear, realistic speed information at point of sale and after-sale. It also sets out how signatories should manage business customers’ speed-related problems and enable their customers to exit the contract without penalty if speeds fall below a minimum threshold.”

If you wish to read the policy in full, please see the 2022 Voluntary Code of Practice (Residential) here: https://www.ofcom.org.uk/data/assets/pdf_file/0017/244322/2022-Voluntary-Code-of-Practice-Business.pdf

Please note that Fibre Support Ltd, is adhering to the principles by ways of best practice. Fibre Support are not a signatory of the scheme at this stage.
